## Reports.

The British steamer Henry Davis, belonging to Singapor, which left Swatow on the 25th October, arrived in harbour on the 23rd, reported at 4 P.M., the 26th instant, they were attacked by pirates, who took all our arms, consisting of 2 long six pounders, 6 three pounders, and 6 cutlasses and cutlasses. At 9 P.M. before the board was us, they were driven off, and we all extricated forward towards the bows of the vessel, and the pirates followed us, they were about 40 or 50 in number. The Captain who tried to elope with his crew, was shot at the Office, or in application by letter to the Manager.

The steamer, which belonged also to Malaya, and the Chinese Carpenter were killed, I and the mate, received 3 shots in the legs when running up the fore rigging, while I escaped under the ship again. When I went back I found the ship filled of everything valuable.
